D. Total C4K Payment Amount:	$[Amt.]

Total family fee amount deducted for all families

Total amount paid to the provider

1 If applicable, supplemental special needs payments are included in the base rate if the child is with special needs. These may be ongoing or for this month only.
2 If applicable, these are supplemental payments to provide non-traditional hour services for the child.
3 If applicable, this includes child-related adjustments due to overpayments/underpayments. These adjustments apply to the child for a previous month of care.
4 If applicable, includes incentive payments per child for providers meeting quality and accessibility indicators.
